

Manage entries with your phone!

Free to download on iOS and Android, use **VDP Connect** to easily communicate with visitors at the door and remotely control the door locks.

VDP Connect

- Divert calls to your phone
- See and speak to visitors
- Grant entry remotely
- Quick & simple connection

An intercom system that gives your customers a reliable, secure solution that's easy to install and easy to use.

All the specifications on this document (photos, drawing, features and dimensions) could be changed without prior notice.
EXE-CDVI_LPS INTERCOM SYSTEM CMYK LETTER EN 01 - Printed in Canada, May 2022.
